June 28, 1967

Honorable Robert F. Kennedy
United States Senate
Washington, D. C.

Dear Senator Kennedy:

Having seen and heard the appearance of William Gurvich on CBS last night, I am writing to amplify my previous offer to include a lengthy manuscript as yet unpublished and tentatively titled OSWALD IN NEW ORLEANS: CIA WHITEWASH, together with perhaps 400 pages of documentation, subject only to the preservation of my propery rights.

Sincerely yours,

Harold Weisberg
